

Large trees represent power, majesty and stability. Have you ever noticed the difference between a tree planted by the water, and a tree far away from water? The tree next to the water is much more healthy and vibrant, and its fruit and blossoms are more beautiful.

In the Scripture, the Word of God is compared to water. When you are 'planted' in the Word of God, your soul and spirit is fed, and you grow strong just like the tree planted by the water. Trees planted by the water will yield fruit at the right season, and will not lose strength. Today's verse tells us that those who love and obey the Lord will prosper in whatever they do. Do you want to prosper in your relationships? Seek God's Word regarding relationships. Do you want to prosper in your health? Seek God's Word about healing. Do you want to prosper in your finances? Seek God's Word regarding finances. As you seek God and His Word and follow His commands, you will grow strong and prosper in everything you do!

Psalm 1:3 "They are like trees planted by streams of water, which yield their fruit in its season, and their leaves do not wither. In all that they do, they prosper..."
