

We all experience situations that we cannot see working out. We do our best to find a solution, but there are some things God doesn't want us to know. He has the solution, but if He showed you right now, it wouldn't take any faith. If you could see the provision, the healing, or the favour that He is going to bring, it would be easy to believe. The test comes when you don't have the answers.

The enemy puts negative thoughts into your mind to sow doubt. For example: "How am I going to survive financially after I retire?" "What if my health doesn't improve?" etc. Sometimes there is no logical solution. The more you try to reason it out, the more discouraged you get. This is what faith is all about. You don't need to come up with a plan. You need to be comfortable not knowing. Sometimes you think it demonstrates a lack of faith to say "I don't know." Take the pressure off. God knows. He has you in the palms of His mighty hands. He will direct your steps.

Proverbs 3:5-6 "Trust God from the bottom of your heart; don't try to figure out everything on your own. Listen for God's voice in everything you do, everywhere you go; He is the one who will keep you on track."
