

When you look back over your life, you can see the goodness of God. There were the times when He made a way when you couldn't see a way. You were at the right place at the right time. Your health didn't look good, but somehow it turned around. You made mistakes that should have held you back, but God in His mercy covered you. He brought you out, and now you are blessed and fulfilling your purpose. You didn't get to where you are by yourself. It was the hand of God. He has been working behind the scenes in your life, pushing back the forces of darkness.

What has God done in your life? Are you recognizing it, are you living amazed, filled with gratitude? Take time every day to acknowledge how great His goodness has been in your life. Remember that the Lord your God has brought you this far, and He is going to keep you going.

Psalm 31:19 "Oh, how great is Your goodness to those who publicly declare that You will rescue them. For You have stored up great blessings for those who trust and reverence You."
