

In Psalm 110:1, God said that He would make the enemies of Christ His footstool. It's a picture of the rest of faith you can have, because you are joined to Christ and seated with him in the Heavenly places. God used "footstool" to remind us to stay at rest. When you face difficulties, things you don't see coming, things you don't understand, the first thing you should do is put your feet up. You need to come back to that place of peace, and do it by faith. Every thought will tell you why you will never get well, how your family will never be restored, and why your dream will never come to pass. That is the enemy trying to deceive you into standing up. He knows that when you are seated in peace and trusting God, all the forces of darkness cannot stop you. What was meant for your harm becomes your footstool. Instead of being a stumbling block, it is going to be a stepping stone to take you to the next level.

Ephesians 2:6 "For He raised us from the dead along with Christ and seated us with Him in the Heavenly realms because we are united with Christ Jesus."
