

God's dream for your life is so much bigger than your own. What He has in your future is going to boggle your mind. You cannot imagine the places He is going to take you, the people you are going to meet, the levels you are going to reach. Today's Scripture verse says that if you think you have reached your limits, you had better think again. God is about to take you into overflow, into abundance, into more than enough. Whatever level you are currently at, get ready, another level is coming. What you haven't seen or imagined is on the way.

Circumstances may be against you, but the Most High God is for you. He is working behind the scenes. Things are happening that you cannot see. Keep being faithful. Keep doing the right thing. Keep going to work with a good attitude. God is your true source. He is keeping record. Your time is coming. God takes pleasure in prospering you, and will shine His favour on you.

1 Corinthians 2:9 "That is what is meant by the Scriptures which say that no mere man has ever seen, heard, or even imagined what wonderful things God has ready for those who love the Lord."
