

Today's Scripture verse says that when you meditate on God's Word day and night: "You are a tree...always in blossom." That is God's dream for your life - that you always have a smile, that you are always in peace, and that you are always positive and excited about your future. That doesn't mean that you will never have adversities. However, in those difficult times, because you have your thoughts fixed on Him, thoughts you have drawn from His Word, deep down there will be a confidence, a knowing that everything is going to be all right. You will know that Almighty God is still on His throne. He is fighting your battles, and you are not only going to come out, you are going to come out better off than you were before.

When you are in agreement with God, the Creator of the Universe goes to work. God will cause His favour to shine down on you. He will cause you to stand out in your career. He will cause you to be at the right place at the right time, making sure that you succeed.

Psalm 1:2-3 "Instead you thrill to God's Word, you chew on Scripture day and night. You are a tree replanted in Eden, bearing fresh fruit every month, never dropping a leaf, always in blossom."
