

God's Creation is filled with magnificent scenes and things, but He says you are His most prized possession. Don't go around thinking less about yourself. Stop letting thoughts from the enemy tell you that you are ordinary. Stop wishing you were taller, or had a better personality, or looked like somebody else. God went to great lengths to make you exactly as He wanted. You have what you need to fulfill your destiny. When God created you in His own image, He stepped back and stamped His approval on you.

So put your shoulders back and hold your head high. You are extremely valuable. When those thoughts come from the enemy, telling you everything that you are not, remind yourself: "I have the fingerprints of God all over me - the way I look, the way I smile, my gifts, my talents, my personality. I know I am not average. I am a masterpiece." Those are the thoughts that should be playing in your mind all day long.

Deuteronomy 7:6 "For you are a people holy to the LORD your God. The LORD your God has chosen you out of all the peoples on the face of the Earth to be His people, His treasured possession."
