

In another translation of today's Scripture verse, the apostle Paul said that we would see "the immeasurable (limitless, surpassing) riches of His free grace (His unmerited favour)." That is favour as we have never seen before. That is how the word "explosion" is defined. It means a "sudden, widespread increase." That is what God wants to do for us. Suddenly. You won't expect it. It will be out of the ordinary, and won't be small. It'll be so amazing you will know it has to be the hand of God.

You may think your situation is permanent. You don't see how you can ever rise any higher and accomplish your hopes and dreams. All the calculations are telling you that you will never get out of debt, but God is saying: "You need to get ready. You haven't seen My explosive blessings. You haven't seen the immeasurable, limitless, surpassing greatness of My favour. I will bless you beyond your normal income. I have blessings that will catapult you years ahead. I have increase that goes beyond your calculations."

Ephesians 2:7 "...so that in the coming ages He might show the immeasurable riches of His grace in kindness toward us in Christ Jesus."
