

In Daniel 4, King Nebuchadnezzar looked out over his magnificent city and said: "Is not this the great Babylon I have built as the royal residence, by my mighty power and for the glory of my majesty?" His attitude was: "Look at me. It is my power, my might, my majesty." The problem is that we weren't created to take the glory; we were created to give God all the glory, praise and honour. God will show you His favour as long as you are letting His glory flow through you up to Him. The moment you start keeping the glory for yourself, it will leave, which is exactly what happened to Nebuchadnezzar. Be very careful to give God the glory for your accomplishments and what you have. God strongly opposes the proud.

Always be humble and say: "God, it was Your goodness that got me to where I am, that delivered me from the mistakes I made, that kept the opposition from defeating me, and that opened the doors of opportunity. Thank You." When you give God the credit, He will take you further than you ever dreamed.

1 Peter 5:5 "...All of you, clothe yourselves with humility toward one another, because, God opposes the proud but shows favour to the humble."
