

Most of us believe that God wants to provide for our daily needs, but His dream for your life is much bigger than your own. He has uncommon blessings, unusual increase, and unprecedented favour for you, but you cannot just ask Him for the ordinary. You need to ask for dreams that look impossible, for increase that seems out of reach, for favour to overcome obstacles that look too big. If you only pray small prayers, you are going to see small results.

How many of your big prayers are going unanswered because you never asked? You never had the boldness to say: "God, take me where I cannot go on my own. Open this door that looks impossible. Heal me of this sickness. Turn my child around." If you are not asking for something that is over your head, that you don't have the resources for, that the experts say is not possible, then you are not believing for the far-and-beyond favour that God wants to show you. Go ahead. Dare to ask Him.

James 4:2 "Yet you don't have what you want because you don't ask God for it."
