

Often, when we give of ourselves to serve others, nobody sees it or even thanks us. But God sees everything. He is keeping the records. Jesus says: "What you do in secret, God will reward in the open." So don't worry if you are not getting credit. Don't get discouraged if people don't thank you. God sees your sacrifices. He knows how to thank you. He knows how to open the windows of Heaven. You cannot be good to somebody without God being good back to you. That is just the way God is. When you give, He gives you more back. When you show someone favour, He shows you more favour. When you make it your business to serve, you are going to see breakthroughs, promotion, increase, and doors open that you couldn't open yourself. Keep going the extra mile, and the blessings *will* come to you.

Matthew 6:4 "...so that your charitable acts will be done in secret; and your Father who sees [what is done] in secret will reward you."
