

Integrity is the foundation that a successful life is built on. You can have talent, determination, and vision, but without integrity you won't reach your full potential. Too often we let small compromises of our integrity keep us from the big things God has in store for us. A person of integrity does the right thing and gives his / her best whether or not anyone else is watching.

We cannot deceive people, tell lies, not keep our word, and expect God to bless us. Take it as a challenge that God is watching to see when He can promote you. He is waiting for you to pass these tests of integrity so He can take you higher. Have integrity in your finances, in your relationships, in how you treat people, in what you watch and read, and you *will* walk securely into your destiny.

Proverbs 10:9 "Whoever walks in integrity walks securely, but whoever takes crooked paths will be found out."
