

For 20 years Jacob worked for his father-in-law, Laban, bringing Laban great increase in his flocks. Fourteen of those years he worked to earn Laban's daughters as wives, then six more for his flock. Over that time, Laban was dishonest with Jacob and unfairly changed the terms of Jacob's wages ten times. Despite that, God's blessing followed Jacob, and when he finally left, he had more flocks and riches than Laban. God saw the hardship and unfairness, and He was keeping the records straight.

God always sees what is unfair in your life. He is not going to just bring you out; He is going to bring you out with abundance. Payback is coming. The bad breaks, the disappointments, and the people who did you wrong are not the end. It is in fact a setup. Satan meant it for your harm. He would love to convince you to live discouraged, not pursuing your dreams, and thinking it is never going to work out. Don't believe his lies. It is setting you up for new levels of your destiny.

Genesis 31:42 "If the God of my father, the God of Abraham and the Fear of Isaac, had not been with me, you would surely have sent me away empty-handed. But God has seen my hardship and the toil of my hands..."
