

When you walk in true humility, you reverence God, you ask Him for guidance, you trust Him with your dreams, and you honour Him by putting Him first in all your ways. That means to make pleasing Him the main aim of your life, to always hunger and thirst after righteousness, to treat people with respect, to be a person of integrity, and to strive to do the right thing when no one is watching. When you do that, God promises you honour, wealth, and long life.

So make sure you are keeping God first place, and if you do He promises a blessing on your life that causes you to prosper. His favour will cause you to increase, to rise higher, and to accomplish things way beyond your own ability.

Proverbs 22:4 "True humility and fear of the LORD lead to riches, honour, and long life."
