

Today's Scripture verse describes a time after God had delivered the Israelites from slavery in Egypt, then miraculously parted the Red Sea and gave them food and water in the desert. Despite all He had done for them, they started worshipping a golden calf along with partying and being immoral. God was so angry that He would have destroyed them had Moses not fasted and prayed, asking God to have mercy on the Israelites. Because one man stood in the breach for them, God changed His mind and spared their lives.

Do as Moses did and stand in the gap for family, friends, and co-workers who are off course and making poor choices. They know better, but they are doing wrong anyway. It is easy to stand in judgement against them and write them off, but you can be the one who makes a difference. Live your life as a gap-stander. Be a people lifter. Make it your mission to take time every day to help pray people into their destiny.

Psalm 106:23 "So He said He would destroy them - had not Moses, His chosen one, stood in the breach before Him to keep His wrath from destroying them."
