

To keep our spiritual lives soaring, we require the right 'fuel'. The fuel for the Christian life, according to Ephesians 6:18, is prayer. Prayer is the energy that makes it possible for the Christian warrior to wear the armour of God and wield the sword of the Spirit, which is the Word of God. Prayer is the combustion that adds power to our lives, and strength to our souls and spirits. Prayer is the propellant that reaches Heaven and returns with blessings.

In the midst of a battle, we need our spiritual armour, and we can only be well-clad with the armour of the believer when we are fueled up with the power of prayer. Spend time praying every day, "praying always with all prayer and supplication", remembering that prayer will consume sin, or sin will choke prayer.

Ephesians 6:18 "Praying always with all prayer and supplication in the Spirit, being watchful to this end with all perseverance and supplication for all the saints."
