

In Deuteronomy 9, the Israelites were facing enemy nations that were much stronger and more powerful than them, with fortified cities and descendants of the famous Anakite giants. You can imagine how intimidated they must have felt, but armed with God's promise, they had the boldness to go into the Promised Land.

You may be facing a situation that seems impossible to endure and overcome - a sickness, financial difficulty or setback in your career. God is saying to you what He said to them: "You are not fighting the battle on your own. I am going to take care of those enemies so you can quickly conquer them." The Most High God is going before you. Behind the scenes right now, God is changing things in your favour. He is crossing over ahead of you, taking care of the trouble. God has these destiny moments when He is going to quickly change things, quickly promote you, quickly vindicate you, quickly heal you. You are going to overcome that challenge quicker than you think.

Deuteronomy 9:3 "But recognize today that the LORD your God is the one who will cross over ahead of you like a devouring fire to destroy them. He will subdue them so that you will quickly conquer them and drive them out, just as the LORD has promised."
