

Sometimes we struggle to ask God for big things - to pay our home off, to own our own company, to be healed of a sickness etc. The enemy would love to convince us to only pray small prayers, and only believe for little things. Don't believe those lies. Our God is an all-powerful God, and He longs to be gracious to you. He doesn't say: "Who do you think you are? Don't you know that there are people who need My blessing a lot more than you?" It is just the opposite. Bold prayer gets God's attention. That is your faith being released. That is when He will pour out blessings that you cannot contain, and open doors that you never imagined would open. Yes, it is good to ask for your needs, but are you also asking for your dreams to be realized? Are you praying any bold, audacious, out-of-the-box prayers?

God is saying: "I created the entire Universe. When you pray to Me, ask for big things, knowing that I am an awesome God."

Isaiah 30:18 "Yet the LORD longs to be gracious to you; therefore He will rise up to show you compassion."
