

As the Israelites were about to cross the Jordan River into the Promised Land, God told Joshua, "Today, I will begin to make you great in the eyes of all the Israelites." God was saying: "Joshua, this is your moment. I am about to endorse you. People are going to see the greatness I have put in you. You have been in the background serving Moses, being faithful, but today you are coming into the foreground." Not long after that, Joshua led the Israelites into the Promised Land, and "that day" the Lord established Joshua as their leader.

God has a "that day" for you, a time when He will cause you to stand out, where you will accomplish things you never dreamed you could accomplish. You will know it, and the people around you will see the greatness in you. You have talent, creativity, ability, courage, and strength, and it is going to come out in a greater way. God wants to shine His glory through you, and make you an example of His goodness.

Joshua 4:14 "That day the LORD made Joshua a great leader in the eyes of all the Israelites, and for the rest of his life they revered him as much as they had revered Moses."
