

Going through life without worship is like living with blurred vision. We can neither see nor understand things clearly. Our wisdom is indistinct, and our perspective is fuzzy.

When we acknowledge God for Who He is, find Him through Jesus Christ as our Saviour, and begin to worship Him, it is like 'scales' falling from our eyes. That is how Luke described the conversion of Saul of Tarsus in Acts 9.

Worshipping God each day means focusing on Him, letting Him give us the vision and perspective we need. Take time to focus your soul and spirit on God. Turn your mind toward Jesus, and learn to think on Scripture as you go to sleep, wake up, and go through each day.

Acts 9:18 "Immediately there fell from his eyes something like scales, and he received his sight at once; and he arose and was baptized."
