

Today's Scripture verse could read like a contradiction, but God's thoughts and ways are not our thoughts and ways - they are both so much higher than ours. Everything in you may say: "If I am going to fix my finances and overcome my problems, I don't have the money or the time to help anyone else. When I solve my problems, I will help others." No, giving your time, energy, and resources to helping others in their time of need is what is going to open the windows of Heaven and cause your problems to turn around. You are never going to end up with less.

Here is the beauty: When you help others, what you give is going to come back to you not in the same proportion, but pressed down, shaken together, and running over. It is seeds you are sowing that are going to keep coming back to you and multiplying. When you live a life of generosity, and make sacrifices to help other people rise higher, it is not just going to affect you, it is going to affect your children. It is going to be far more than you ever imagined.

Proverbs 11:24 "It is possible to give away and become richer! It is also possible to hold on too tightly and lose everything."
