

Are you afraid of the reaction you will get when you mention Christ or articulate a Biblical worldview? Keep your eyes on Christ, not on Man. When we focus on eternity, we realize that our temporary suffering in this life has a way of revealing God's glory. There is joy in serving the Lord!

If we go back to the Cross of Christ, we see that Jesus lived with little and died in poverty. However, He was buried in a rich man's tomb, rose in glory, and ascended to guide His children in taking the Gospel to the ends of the world. In these End Times this is no time to be silenced. It is time to speak boldly, to share, and to shine!

1 Peter 4:12-13 "Beloved, do not think it strange concerning the fiery trial which is to try you... but rejoice to the extent that you partake of Christ's sufferings, that when His glory is revealed, you may also be glad with exceeding joy."
