

In today's Scripture verse we see that after God told King Jehoshaphat of Judah to march his army toward three major armies that should have crushed them, he appointed singers of praise to walk ahead of the army. As the singers sang: "Give thanks to the Lord; His faithful love endures forever", the enemy armies began fighting one another, and destroyed themselves without the Israelites needing to fight. What is significant is that they didn't call the place where they had their greatest battle the valley of opposition, struggle, or fear. They called it the Valley Of Blessing.

Perhaps what you are facing looks insurmountable. The enemy's voice will tell you: "That is a valley of defeat, you are never going to get out, never accomplish your dreams." Have this new perspective: That is not the valley of defeat, but of victory. That is not a valley to stop you, but to promote you. It is not a valley of sickness, but of restoration. God is saying: "Stand still in faith, and I will turn that battlefield into your blessing field. You are going to emerge better."

2 Chronicles 20:26 "On the fourth day they gathered in the Valley Of Blessing, which got its name that day because the people praised and thanked the LORD there. It is still called the Valley Of Blessing today."
