

What gives you confidence? For some people, it is the right hairstyle or clothing. Other people feel confident because of the premium credit card in their pocket. A few people are blessed with a self-confident attitude, but it sometimes appears as arrogance. Others constantly battle feelings of insecurity.

The key to true confidence is Christ. Proverbs 14:26 says: "In the fear of the Lord there is strong confidence." Fearing God means living in reverential awe of the Lord Jesus, who represents to us the Father, and resides within us by His Holy Spirit.

The Saviour who was with us in the beginning is the same God who will be with us until the end. He is our Alpha and Omega. Everything that happens to us from birth to death is in His hands. Don't let the confusion of the world distress you. We can live in joyful confidence because of Christ. So stand a bit taller today, and every day, confident of His care and keeping.

Revelation 1:8 "'I am the Alpha and the Omega, the Beginning and the End", says the Lord, "who is and who was and who is to come, the Almighty.'"
