

As believers we have a resource that is greater than any attack Satan can launch against us. Would you like to know how you can activate angels in your life?

The most important key is *worship*. As you offer your praise to the Lord, today's Scripture verse tells us that is when angels are most active. Our Lord Jesus defined "fear" as "worship" for us. When Satan tempted Him in the wilderness, Jesus responded by quoting from Deuteronomy 6:13, which says: "You shall fear the LORD your God." But He changed the word "fear" to "worship" and said to Satan: "For it is written: "You shall *worship* the LORD your God."" (Matthew 4:10)

When you worship the LORD, His angels camp all around you, surrounding you to deliver you. If you are going through a difficult period in your life and are fearful, choose to worship Him. Fear fills our hearts when we are occupied with ourselves, but when we worship the Lord, we become occupied with Him, His beauty, and His goodness, and His angels surround us like a protective shield. When God gives His angels charge over you, they go ahead of you to guard and protect you from all sorts of danger.

Psalm 34:7 "The angel of the LORD encamps all around those who fear Him, and delivers them."
