

When the odds are against you and what you are up against seems impossible, don't believe Satan's lie that you don't have enough faith. God says when you have faith the size of a mustard seed, nothing is impossible. A mustard seed is one of the smallest seeds. A little faith is like a little match that can ignite a huge fire. A little faith can start a huge blessing. Little faith can open big doors. Little faith can heal you from a terminal illness. Little faith can defeat great 'giants' in your life.

You have the faith you need to get you to your pre-ordained destiny in Christ. Now do your part, and start mixing in faith to ignite the promises of God in your life. How do you mix in your faith? You agree with what God promised. "Lord, thank You that I can do all things through Christ who strengthens me. Thank You that the enemies I see today, I will see no more." That is not just being positive, that is mixing in your faith. That is what activates the promises of God.

Luke 17:6 "He replied: "If you have faith as small as a mustard seed, you can say to this mulberry tree: "Be uprooted and planted in the sea", and it will obey you."
