

Painting masters like Vincent van Gogh and Leonardo da Vinci painted multiple versions of a single scene. The same painter created the same scene but with different colours, emphases, and perspectives.

Think about God's Creation of Humanity: the same Artist, but billions of unique versions of the same 'picture' - different colours, traits, appearances, and personalities. Like a human artist who creates multiple versions of the same painting for his or her own reasons, God has shaped every human creation individually for His own reasons. That includes you! God "fearfully and wonderfully" created you, and pre-ordained the days of your life before they even came to be. (Psalm 139:14,16)

Give thanks and praise to God for who you are. Ask God to direct your steps so that you might fulfill His unique purpose for your life.

Psalm 139:13-14 "For You formed my inward parts; You covered me in my mother's womb. I will praise You, for I am fearfully and wonderfully made."
