

We all face challenges in life which are daunting in that we don't know how they are going to work out. How am I going to get well? How am I going to meet the right person? How is this dream going to come to pass? But here is the key: The HOW is not as important as the WHO. When you know who you are, a child of the Most High God, crowned with favour, with royal blood flowing through your veins, then the WHO will override the HOW. Your Heavenly Father created the Universe, and has ways of doing things that you cannot see or understand. His ways and thoughts are so much higher than ours.

When you understand that you belong to Him, you can live from a place of peace, knowing that your Father has a solution to any problem that is stressing you out. The HOW may look impossible, but that is not up to you. If you stay focused on HOW, you are going to live worried and discouraged. Your job is to honour and praise God, to be your best, and He will take care of the HOW.

Matthew 6:26 "Look at the birds of the air; they do not sow or reap or store away in barns, and yet your Heavenly Father feeds them. Are you not much more valuable than they?"
