

When King Saul saw David take down Goliath with only a slingshot and stone, he stood there in disbelief. How could David fight like a warrior, and where did he learn to speak so powerfully against a giant? Where did he get the heroic courage, the leadership, the training? In 1 Samuel 17, when Saul met with David, he asked: "Who is your father?" Saul was perplexed that David's father could be an ordinary shepherd, not realizing that our greatness, the hero in us, doesn't come from our natural father.

Here is the key: You come *through* your Earthly father, but you come *from* your Heavenly Father, Almighty God. He formed you in your mother's womb, and knows how to cause the gifts and talents He put in you to come out and make you shine. Your time is coming. You are going to accomplish dreams bigger than others imagine. What you are going to accomplish is not going to match where you have come from.

Galatians 4:6 "Because you are His sons, God sent the Spirit of His Son into your hearts, the Spirit who calls out: "Abba, Father.""
