

We actually understand so little, because God's thoughts and ways are as far above ours as Heaven is above the Earth. However, He knows the plans He has for us, and they are important. Sometimes we feel as though our life is insignificant, but all of us are part of God's sovereign design. Every believer has a unique, pre-ordained destiny in Christ. Your life *is* important, and you can go forward confidently, knowing Your Lord will be with you every step of the way.

God created us to praise, honour and glorify Him for as long as we live on this planet, and to then enjoy Him for the rest of eternity. Our task is simply to reverence our God, and to trust and obey Him.

Job 34:29 "When He gives quietness, who then can make trouble?"
