

God created you with a place in your heart only He can fill. Meaning in life is found in a relationship with our Creator, the Almighty God, through Jesus Christ who died to save us and to restore our relationship with the Father. God wants us to live our lives joyously, and part of doing that is fearing (revering) Him and keeping His commands. Our joy, peace, and enthusiasm in life is directly proportional to our obedience to God and our reverence for who He is.

If you haven't already, give Him *total* control over every aspect of your life. Let Him be your Lord and Saviour today, and for all eternity. If you do, you *will* find the missing joy and peace you have been searching for.

Ecclesiastes 12:13 "Let us hear the conclusion of the whole matter: Fear God and keep His commandments."
