

God's dream for you is that you will be strong and do mighty exploits. No more living intimidated and saying: "I cannot do it. It is too big." When you know who you are, when you know your God, you won't run from the giant, you will run towards the giant. God didn't say you would just do exploits; He says mighty exploits. It is going to be bigger than you can accomplish on your own. You cannot do this just in your power, your ability. The Most High God will back you up. Sometimes He will let the odds be against you in a great way, so it will be a mighty exploit.

Do you realize that you were created in the image of Almighty God? When He made you, He put a part of Himself in you. Because of that you are powerful. You are anointed. You are favoured. You are blessed. You are a mighty warrior. You are full of can-do power. His favour surrounds you like a shield. Don't go through life thinking you are average. There is greatness in you.

Daniel 11:32 "...but the people who know their God shall be strong, and carry out great exploits."
