

In 1 Samuel 16, when David was 17 years old, the prophet Samuel showed up at his house to choose one of the eight sons of Jesse to be the next king of Israel. Jesse didn't even call David in from the shepherds' fields because he thought David was too young, too small, and not talented enough. But when Samuel saw David, he said: "He is the one." He anointed David as the next king, and the Scripture says that the Holy Spirit came powerfully upon David. With that anointing, David was able to not get bitter about his father and brothers not believing in him. With that anointing, David went out and defeated Goliath and became a national hero. With that anointing, David was able to resist paying King Saul back for repeatedly trying to kill him.

That is what the Holy Spirit does. He brings fresh anointings that suddenly turn your health around, break addictions, and strengthen you to face a challenge. He brings fresh favour, fresh attitudes, and fresh vision. Do your part, and receive it by faith.

1 Samuel 16:13 "So as David stood there among his brothers, Samuel took the flask of olive oil he had brought and anointed David with the oil. The Holy Spirit of the LORD came powerfully upon David from that day on."
