

There are things you are concerned about now, dreams you would like to accomplish, situations you need to turn around. It is easy to get discouraged and think God hasn't heard you. "Why isn't it happening?" Can I encourage you that God has already taken care of it. He says: "Before you call, I will answer you." He is always going ahead of you. He knows what you are going to need in the future. He has solutions even before you have problems. That is why you can live in peace. You don't need to be worried about your children, stressed over your health, losing sleep over your finances etc.

God is ahead of you. He is doing things right now that you cannot see. The hand of God is working, taking care of what you are concerned about. The answer has already been dispatched. Blessings are coming your way. Don't let what you don't see, talk you out of what has already happened. It is just a matter of time before you see things change in your favour.

Isaiah 65:24 "I will answer them even before they call to Me."
