

It is estimated that there are more than 7 000 languages in use today. Among all of these languages, there is one named language you will not find: Liar. Yet Jesus identified Liar as the language native to Satan. Some modern English translations of Jesus' words say that lies are consistent with Satan's character, or his nature. The New International Version says that lies are his "native language" - the language with which a person is most comfortable and conversant; the language they grew up speaking and use most often. When it comes to Satan, Jesus said that he has been a murderer and a liar "from the beginning", referring to the Garden of Eden. He lied to Adam and Eve about God's instructions because "there is no truth in him."

So if you find yourself denying or doubting the Word of God, know where those thoughts are coming from.

John 8:44 "You belong to your father, Satan... He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar, and the father of lies."
