

How long does it take for God to answer our prayers? He hears us instantly, and sometimes He answers even before we have asked! (Isaiah 65:24) Sometimes He answers instantly (2 Kings 20:1-6), and on other occasions we wait for His perfect timing to coordinate all that is necessary to send down His showers of blessings. (Psalm 27:14)

Pray consistently, continuously, and confidently. Ask God to meet your need, and He will send His answers to you like rain from the sky. Remember that the greatest tragedy of life is not unanswered prayer, but unoffered prayer.

1 John 5:14 "Now this is the confidence that we have in Him, that if we ask anything according to His will, He hears us."
