

Late in the day, Jesus was teaching a great crowd in a remote place. He asked His disciples where they could buy bread to feed so many people. They said it would be too expensive and impractical, so Jesus asked them: "What do you have?" All they could find was five loaves of bread and two fish. Andrew, one of His disciples, asked: "But what is that among so many?" That is a logical question, but Jesus didn't ask them to figure out how it was going to happen. He just asked them to use what they had, and believe that He could take what seems too small, and make something great out of it.

The enemy would love for you to get stuck, thinking you are at a deficit. "When I get more funds, more training, more good breaks, then I can move forward." But you are not lacking anything you need to fulfill your purpose and destiny. Don't overlook or discount what God has given you. Don't go around with a disadvantaged mentality. Recognize the gifts, talents, and abilities you have, and use what you have. Jesus will take the natural and do something supernatural.

John 6:9 "There is a lad here who has five barley loaves and two small fish, but what are they among so many?"
