

When the Lord created humans, He immediately placed them in a marriage / family environment. Satan attacked that marriage (Adam and Eve), and he has been doing so ever since. But God is far stronger than Satan, love is stronger than discord, and the Lord Jesus loves to be included in our homes. In fact, He expects to be *first* - the ever-near Saviour whose presence fills our homes and hearts.

If you are going to build your family successfully, you need to place God at the head of your home. If not, all your work will be in vain. To have Him at the head of your home, therefore, you need to install Him as the head of your life, as your no 1 priority. If you have not done so already, ask God to take charge of your life and of your family today.

Psalm 127:1 "Unless the Lord builds the house, they labour in vain who build it."
