

We are coming into a time when God is going to show out in greater ways. There are going to be greater works done. The Scripture says: "These signs will follow them that believe." There are going to be some signs following you - not ordinary things, not what you have seen in the past, not what you can do through your natural ability, but awe-inspiring deeds. God will put you in situations where you are up against what looks impossible. The sickness will be too much, the problem too great, the dream too big. It is easy to let fear, intimidation, and doubt talk you out of it. This is when you have to remind yourself that you were created to perform greater works.

The apostle Paul says: "You haven't seen, heard, or imagined what God has in store for you." Get ready. It is coming. You have God's favour and anointing upon you, and you are marked for greatness. He is moved by your faith, and He is going to show out in your life in unusual, uncommon ways. God is about to do something you have never seen before.

John 14:12 "Truly, truly, I say to you, whoever believes in Me will also do the works that I do; and greater works than these will he do, because I am going to the Father."
