

It is the nature of God's economy for there to be a continual state of increase. The seeds in the apples on a single apple tree will produce multiple times more trees. Even Jesus spoke of Himself as a singular Vine from which multiple branches bear an abundance of fruit. (John 15:1-8)

Jesus told His disciples that they would produce "greater works" than He did. In the original Greek text the word "works" does not appear - only the adjective "greater". "Works" is a good translation because Jesus had just mentioned "works" in the first part of John 14:12. But some modern translations have supplied "greater things", which broadens the scope of what Jesus may have been predicting to include everything He did, not just the miracles He mentioned in verse 11.

If you truly believe in Jesus Christ, you should expect to duplicate His ministry in the power of the Holy Spirit. (verses 16-17) Ask God to show you the "greater works" He wants you to carry out.

John 14:12 "Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father."
