

God often does things in our lives step by step, little by little, and day by day. That is how He gives us strength, for Deuteronomy 33:25 says: "As your days, so shall your strength be." Jesus taught us to pray for our daily bread, and we would be wise to also pray for the Lord to provide our daily work, our daily peace, our daily joy, and grace and mercy sufficient for each day.

When the Israelites were in the wilderness, God didn't provide them food for a week or a month or a year. He provided what they needed day by day. In this way, He wanted them to learn to rely on Him. Do you rely on Him to meet your daily needs? Learn to take life one day at a time.
