

It is interesting that before the disciples' boat was caught in a great storm on the lake, their destination was Bethsaida, which was called a desert place, a barren land that was not desirable. However, the storm that seemed so uncontrollable and threatening until Jesus came and calmed the winds, blew them to Gennesaret, which was called a garden of abundance, a beautiful place in Galilee. Jesus brought an abundance of healing to the people there, and made it a place of miracles.

You may feel that you are in a 'storm' of difficulty and headed to a barren place, to defeat, to brokenness. Don't believe those lies from the enemy. You don't know where the wind is blowing you. You cannot see it now, but God is using the storm to blow you to an abundant place of blessing, healing, miracles, and favour. There are new beginnings, new doors are going to open, and a fresh vision is coming. But the key to all this happening is to keep trusting God when you don't understand. He *will* get you to where you need to be.

Mark 6:53-55 "After they had crossed the lake, they landed at Gennesaret. They brought the boat to shore and climbed out. The people recognized Jesus at once, and they ran throughout the whole area, carrying sick people on mats to wherever they heard he was. "
