

When the Israelites went into the Promised Land, they failed to drive the Jebusites out of the stronghold of Jerusalem. Around four hundred years later, when David was anointed king over Israel, they taunted him and said his army could never break the stronghold. But rather than try to go over the walls, the Israelites discovered a way into the city through underground water tunnels, defeated the Jebusites, and now it is called the "City Of David".

There are strongholds that the enemy may have whispered you will never defeat - a sickness, an addiction, a debt, a broken relationship etc. Don't believe those lies. The stronghold of Jerusalem belonged to David, but there were enemies living in the city that had his name on it. Like David, there is an anointing of power coming on your life to capture what belongs to you, what has your name on it, for every promise He has put in your heart. Healing, freedom, abundance, and good relationships belong to you. The opposition may be strong, but God has a way. Get ready. This is your time to capture it.

2 Samuel 5:6 "David then led his men to Jerusalem to fight against the Jebusites, the original inhabitants of the land who were living there. The Jebusites taunted David, saying: 'You will never get in here! Even the blind and lame could keep you out!' For the Jebusites thought they were safe."
